

Are there any other fees that I have to pay?

For local delegates, all you need to do is to prepare for the registration fee unless you are a local from out of town. Then you need to pay for your hotel expenses. Overseas delegates need to apply for the registration fees as well as their travel, hotel accommodations and other incidentals.

The Conference registration fees are to be settled by the delegate with the AFCSR Secretariat. Other costs will be settled by the delegates with the hotel, airline, restaurant and transport service directly.
