

DRESS CODE

Business casual is the standard attire for the event. This means that you do not need to wear a necktie, but may do so if you wish. The same applies to a jacket. For the ladies, our guidelines are the same, business casual. Please be comfortable. Do remember that in spite of the warm temperatures outside, the hotel air-conditioning can lower the temperature considerably so you might want to be prepared by bringing a light jacket or shawl.

Forget that business casual look for a night and put on your national costume for the Gala Dinner and Awards Night. *Special prizes to be given away if you wear ANY national costume.*
